1. What is your connection or interest in this case? \* For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I've lived in Tega Cay for over 20 years and I'm a customer of TCWS

2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)

Tega Cay has grown considerably over the past 5 to 10 years. TCWS should be using revenues collected from a growing account base over that time to improve service and equipment to service those accounts. Their billing systems are achaic and they seem to have no concern for providing quality water service to Tega Cay residents. Please don't give these guys a rate increase. They have residents of Tega Cay over a barrel. Can the state force them to improve service at current rates or sell the facilities to THE CITY OF TEGA CAY?

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony?  $^\star$
